Cycle Repairs and Servicing

Wide range of new bikes at discount prices

Free 'MOT' on any bike

Weekend and out of hours appointments

We offer a comprehensive range of cycle repairs, servicing and rebuilds. Whatever the age, type or condition of your cycle we are here to offer you a professional, high quality service at competitive prices. Please see our Labour Price Guide overleaf or visit us with your bike for an estimate for the repairs or servicing you require.

Free 'MOT': We are offering free 'fit for the road' safety checks on all bikes. Please contact us to book your appointment with the Cycle Surgeon.

New Bikes: We are suppliers of BURNER BMX, CLAUD BUTLER, DAWES, DIAMOND BACK BMX, FALCON, HARO, IZIP HYBRID ELECTRIC BICYCLES and RALEIGH.

All our new cycles are fully checked by us and ready to ride. An after sales service is also included. Please contact us for brochures and prices.

Spare Parts and Accessories: We carry thousands of new and used spare parts for old and current cycles.

Tandems: We specialise in tandem repairs and servicing.

Out of Hours and Weekend Services: Weekend and out of hours services are available by appointment. This can often be arranged at short notice. Please feel free to contact us 24/7. We will get back to you as soon as possible.

Contact Us: Please contact us anytime: Call/text message 07769 535468 or email: bike.dr@btinternet.com

NB: If you are calling from an ex-directory landline please dial 1470 before 07769 535468 so that your number is displayed. This will enable us to return your call.

Graham Hicks first worked in the bike trade in the early 1980's. He ran his own cycle shop in Hertfordshire, specialising in repairs, servicing and wheel building.
