

Ride 4 Ryder Sportive with Peterborough Cycling Club

Peterborough Cycling Club, after two years out, are back on board to help promote this popular annual event. Starting and finishing at Sue Ryder - Thorpe Hall Hospice, this Sportive gives you the choice of two rides 65 or 92 miles and you'll ride on mainly quiet roads through three counties of breath taking scenery.

You'll be fed and watered along the route and there will be a BBQ at the finish line to celebrate your return. There will be improved signage and for those who rode the last few years, a new route.

We ask that each cyclist aims to raise £50 for Sue Ryder, all proceeds from this event will help people with incurable illnesses. Your £50 could pay for a programme of bereavement sessions to help people cope with their loss. Though Thorpe Hall would love you to raise £50, the entry is £25 and another £25 **if you can**.

The event HQ is at Thorpe Hall in Peterborough and takes place on 18th September. Please use the link to enter this worthwhile event.
